

Relative differences between first and last estimations of a AO  
All models (461 series)

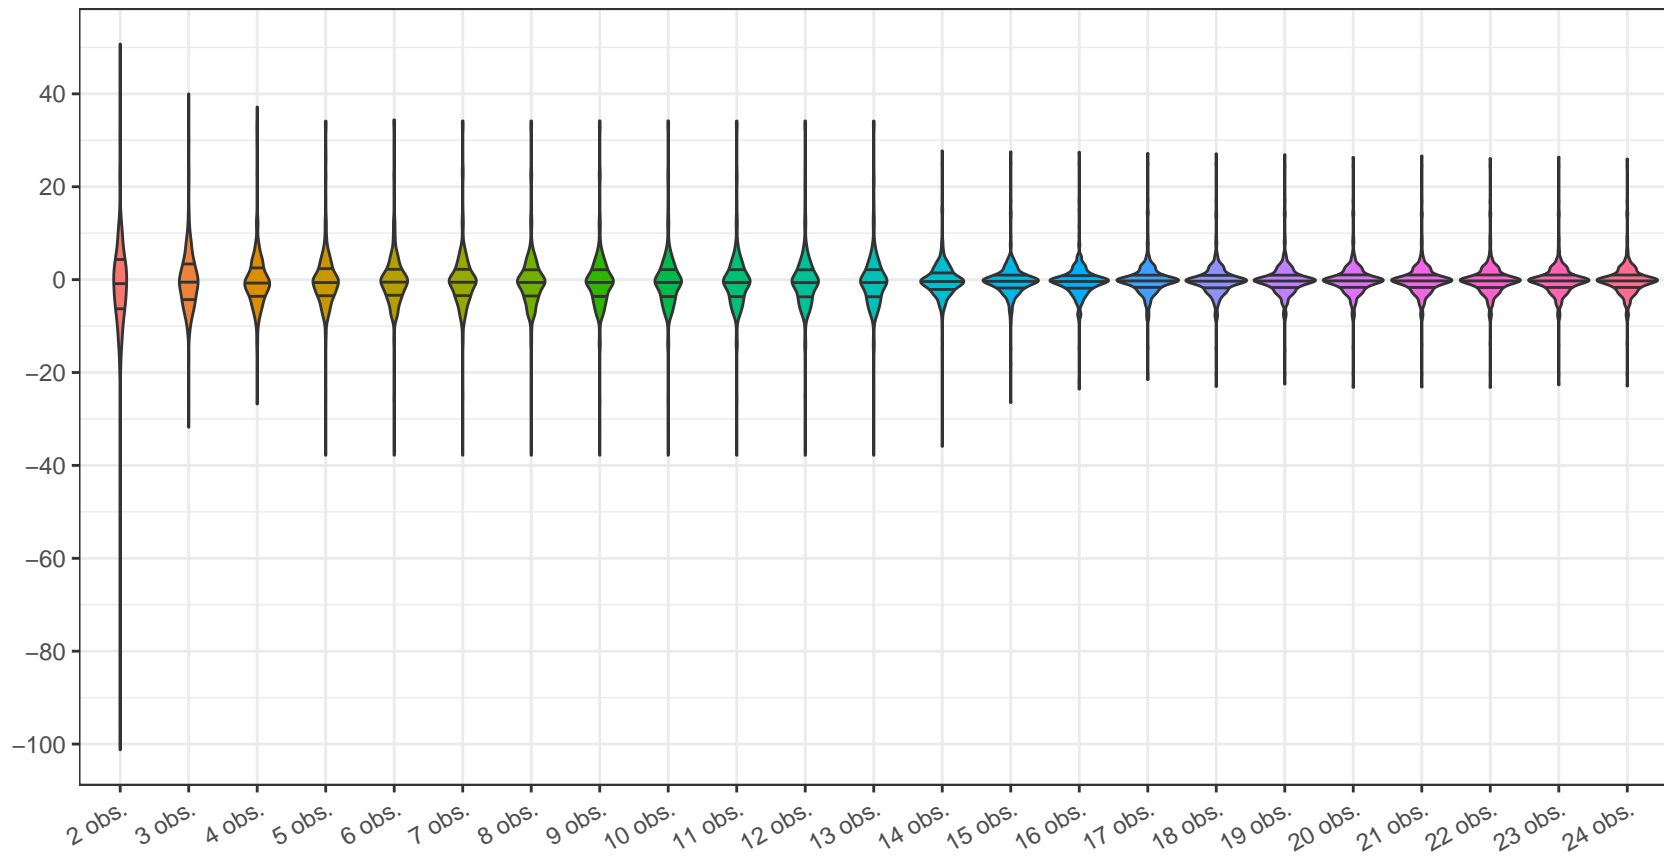

Relative differences between first and last estimations of a AO  
additive decomposition (194 series)

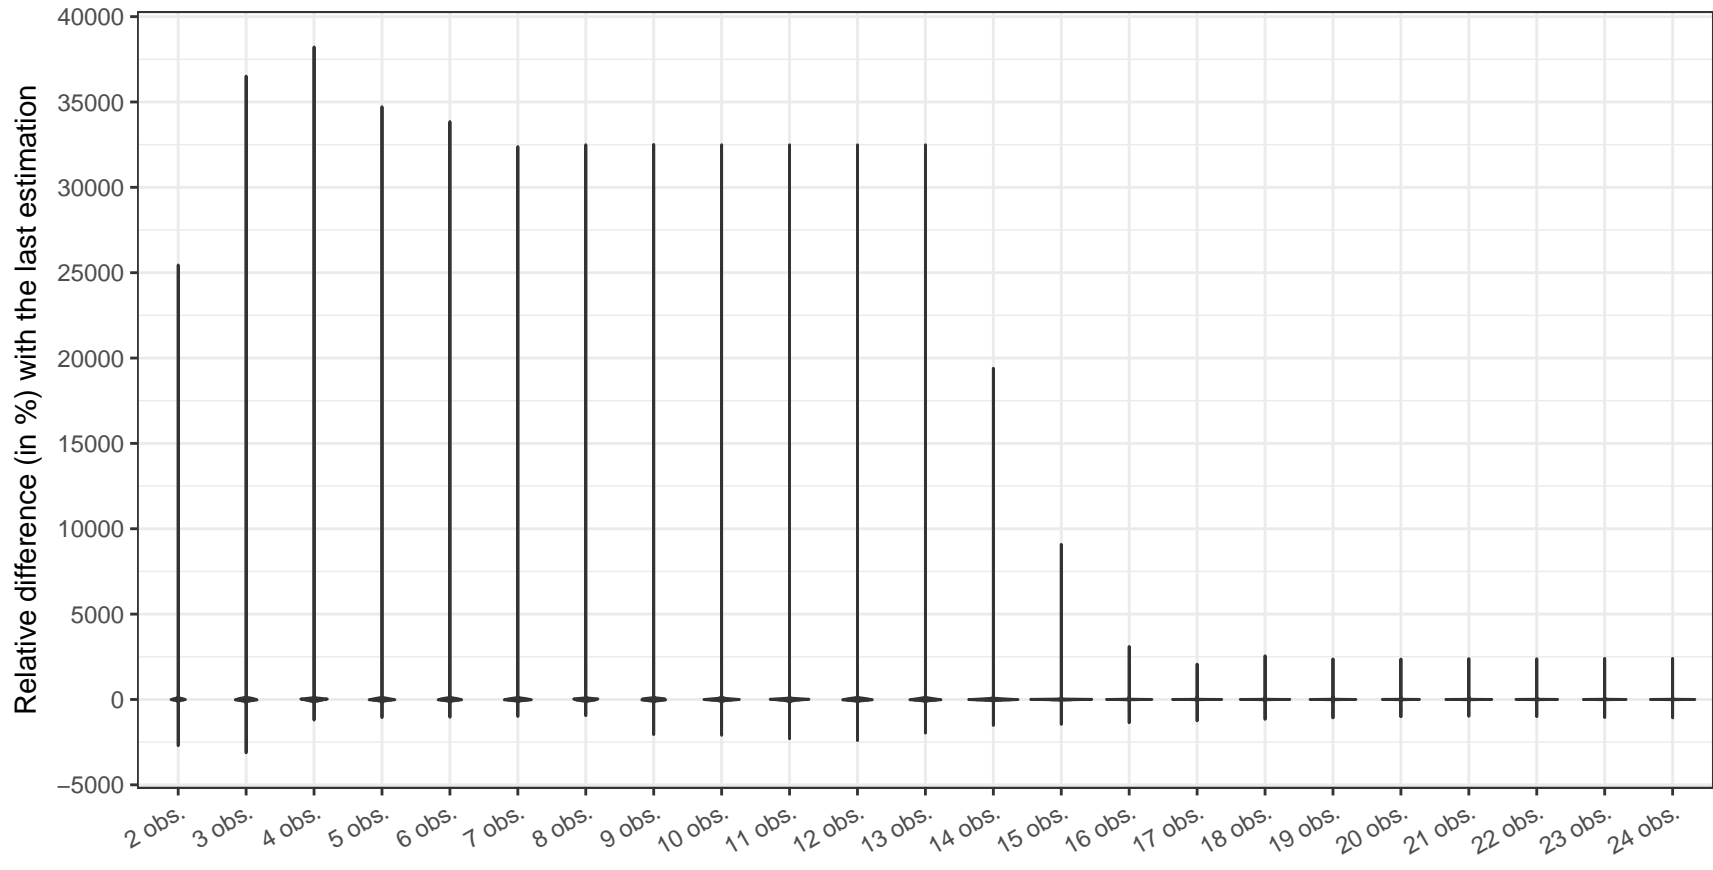

Relative differences between first and last estimations of a AO  
multiplicative decomposition (267 series)

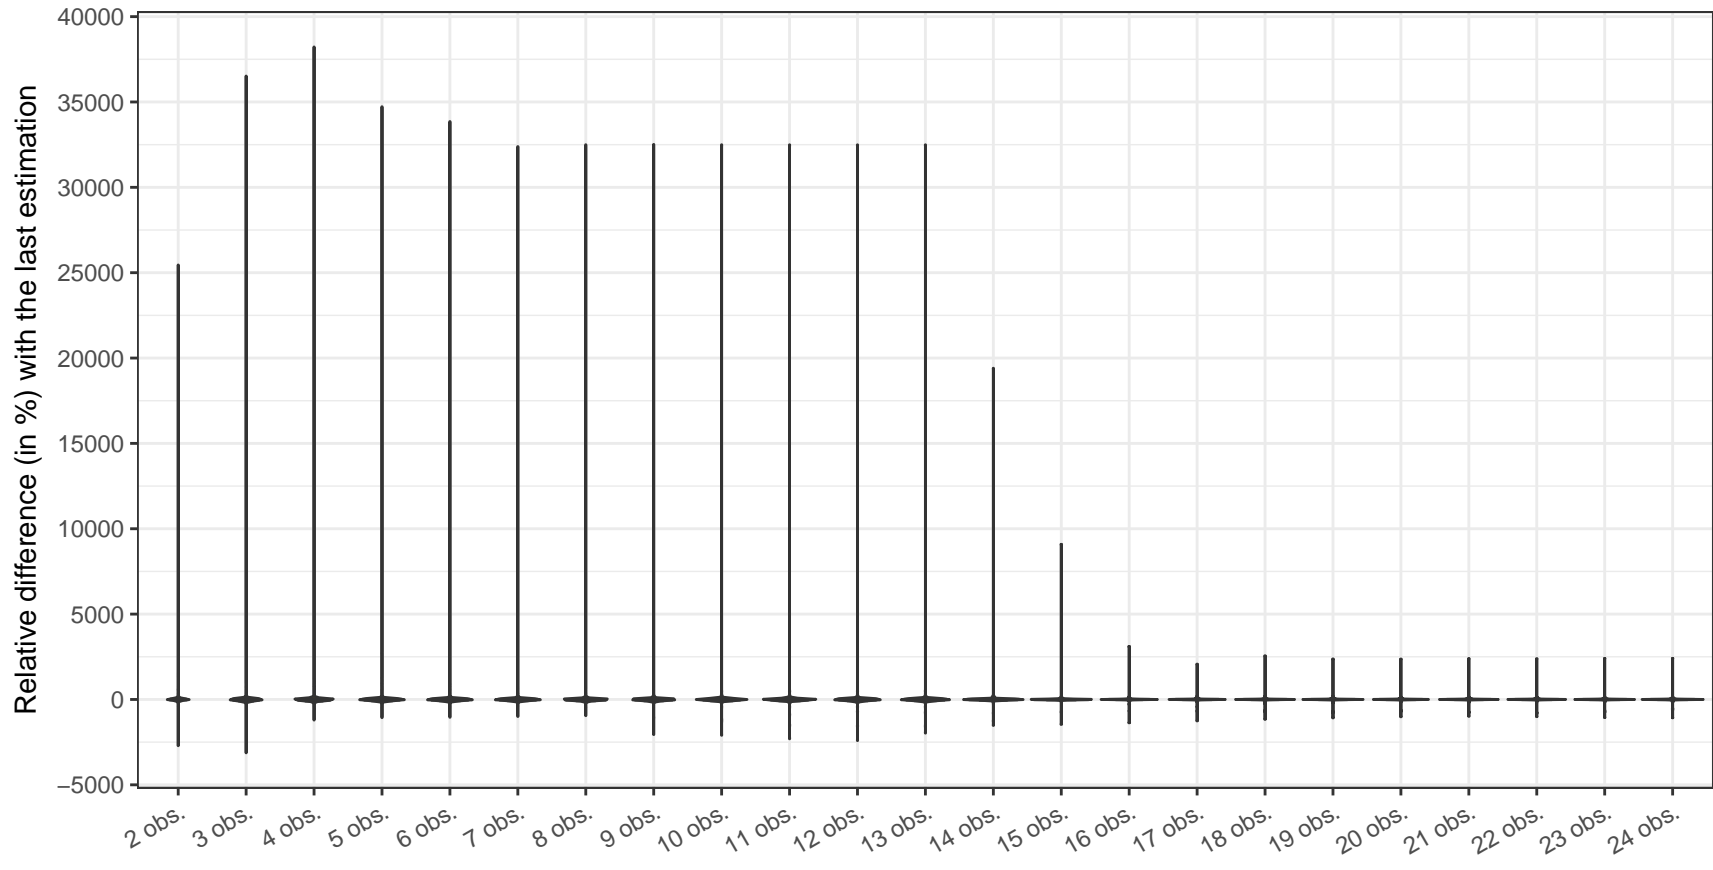

Relative difference (in %) with the last estimation

Relative differences between first and last estimations of a LS  
All models (461 series)

Relative differences between first and last estimations of a LS  
additive decomposition (194 series)

Relative differences between first and last estimations of a LS  
multiplicative decomposition (267 series)
